

Rafael Luis Cueva

College Student

Greetings, I'm Rafael Luis M. Cueva, currently immersed in my academic pursuit of a Bachelor of Science in Computer Science at Caraga State University. During my formative senior high school years at Mapua Malayan Colleges, I graduated with high honors, setting the foundation for my professional journey.

Bisaya

Experience

2016 - 2020

Youtube

Youtube Influencer

From 2016 to 2020, I operated a successful YouTube channel, amassing millions of views and cultivating a subscriber base of 10,000. My expertise extends to a comprehensive understanding of the YouTube algorithm and the entire video production process, from inception to publication. As a versatile individual, I possess proficiency in crafting YouTube logos, thumbnails, and videos.

2022

Mapua Malayan Colleges

Website Designer (work immersion)

I previously held a position at my school focused on Work Immersion, where I acquired valuable skills in web design and graphic design for webpages, as well as expertise in photo manipulation.
